DENISE COTE, District Judge:

This case was filed on May 7, 2020. On May 12, plaintiff filed a motion for a temporary restraining order. Accordingly, it is hereby

ORDERED that the defendants shall file any opposition to the plaintiff's motion for a temporary restraining order by Thursday, **May 14, 2020** at **5:00 p.m.**

IT IS FURTHER ORDERED that a hearing on plaintiff's motion for a temporary restraining order is scheduled for Friday, **May 15, 2020** at **4:00 p.m.** The hearing will take place by Skype for Business videoconference. To access the conference, paste the following link into your browser:

https://meet.lync.com/fedcourts-nysd/anthony_sampson/TJHFDA0U.

To use this link, you may need to download software to use Skype's videoconferencing features.[1] Participants are directed to test their videoconference setup in advance of the conference -- including their ability to access the link above. Users who do not have an Office 365 account may use the "Join as Guest" option. When you successfully access the link, you will be placed in a "virtual lobby" until the conference begins. Participants should also ensure that their webcam, microphone, and headset or speakers are all properly configured to work with Skype for Business. For further instructions concerning Skype for Business and general guidelines for participation in video and teleconferencing, visit https://nysd.uscourts.gov/covid-19-coronavirus.

If you intend to join the conference from an Apple device, you should ensure that you are running a version of Skype for Business that was published on or after April 28, 2020.[2] Users running earlier versions have encountered an issue in which Skype for Business does not receive any inputs from the computer's microphone, and they cannot be heard by other participants.
